MSG

The United Liberation Movement for West Papua is an umbrella group for all the major West Papuan political groups inside and outside West Papua. It is seeking membership of the Melanesian Spearhead Group and a decision will be made in July.

After over 50 years of Indonesian occupation, after over 50 years of beatings, torture, killings and abuse, the people of West Papua want to join their Melanesian family once again.

Help us support this campaign, an important step on the road to freedom for West Papua.

Money is urgently needed to lobby leaders in the five member countries in the MSG over the next 3 months. In particular, we need to help bring support groups in PNG, Fiji, Vanuatu, the Solomon Islands and Kanaky together to plan and coordinate the final stages of their lobbying campaign.
